

CATHOLIC SPIRITUALITY CENTRE

Encountering God • Healing Hearts • Empowering Lives

5 December 2018

Dear sisters and brothers-in-Christ,

RETURN OF THE YOUTH CONVERSION EXPERIENCE RETREAT (PREVIOUSLY KNOWN AS "AWAKEN")

The Catholic Spirituality Centre (CSC) has decided to resume the AWAKEN: Youth Conversion Experience Retreat in 2019. This move comes in response to the overwhelming and heartfelt sentiments expressed by parents who had attended the Conversion Experience Retreat as well as past AWAKEN retreatants, when the cancellation was announced earlier this year.

CSC recognizes that many young people have benefitted from the AWAKEN program since it began in June 2010 and its unique contributions towards the evangelization of young Catholics in the archdiocese.

Going forward, the AWAKEN retreats will be renamed *Youth Conversion Experience Retreat* ("YCER"). This is to affirm the YCER as an iconic program of CSC. The YCER #16 will resume with a single run from **13-16 June 2019** and will be conducted by His Grace, Archbishop William Goh. Registration details will be published on our website and Facebook page closer to the date.

We would like to take this opportunity to thank all who had taken the time to express your sentiments at the earlier cancellation.

We ask for your prayers over Archbishop William and the ministering team in the Centre so that we may continue this mission of helping others encounter God, experience healing, and live empowered lives.

Yours-in-Christ,

Rev Fr. Andrew Wong
